

Call Whisper - Audio Solution

Identify your Inbound Call

Our Call Whisper service will play a Voice Message to the Receiver of the Call before connecting it, informing them which Phone Number, Company or Advert the Caller is responding to.

This service is particularly useful for Businesses with more than one Brand or for a receptionist answering calls for than one Business.

- Quickly Identify which Phone Number has been Called
- Measure the effectiveness of Advertising and Marketing
- Announcement is played as soon as Call is answered / picked up
- Callers hear a message advising that their Call is being connected
- Recording facility via phone
- No extra hardware needed - Network based Service
- No configuration changes needed to Telephone Systems or Handsets

Setting up Call Whisper

The Voice Message can be recorded by yourself or by our professional Voice Artist for a minimum charge of £50 + VAT. If you want to record the message yourself then we will give you free access to our recording service. As soon as we have received the recordings, we will set up Call Whisper on your Number.

Costs (For Standard Services Only)

Connection: £29.99 + VAT set-up
Line Rental: Starts from £4.99 + VAT per month

We do offer flexible packages if more than one service is required. The line rental will vary depending on the type of number connected to the service. (The connection fee and the first quarterly line rental are always taken in advance. After the first quarter, line rental can be paid on a monthly basis).

PLEASE NOTE: All virtual services are only available on specific 08xx number ranges. If you are looking to add this service to an existing number, call charges to number holder may apply. Please call 0800 007 6000 for more details.

Please contact Alphatalk Ltd on 0800 007 6000
